Rise to the top.

You're a nuclear-trained officer. It goes beyond special. It's elite! And your status reflects a job that demands your best. Proving your skills at the heart of today's nuclear-powered Navy.

Over half of America's nuclear reactors are in the Navy. That adds up to more years of experience with reactors than any company in the world, and it

means working with the most sophisticated training and equipment anywhere.

College graduates get Officer Candidate School leadership training, and a year of graduate-level training in the Navy Nuclear Power School.

The rewards are top-notch, too. Generous bonuses upon commissioning and also upon completion of nuclear

training. Sign up while still in college and you could be earning \$1,000 a month right now.

Be one of the most accomplished professionals in a challenging field. Lead the Adventure as an officer in the Nuclear Navy.

Contact your Navy Officer Recruiter or call 1-800-327-NAVY.

About The Senior Test

The Senior Test is designed to evaluate the skills that students acquire in their general education program — those courses that are required for all students. It is not meant to test knowledge from a specific major or discipline, but rather to evaluate the student's ability to receive information in a variety of formats, analyze the information, and respond to situations related to adult roles in society. During the test, you will view portions of newscasts and television productions, listen to music and radio broadcasts, look at art prints, and review advertisements, graphs, and blueprints.

Scores on the test will be returned to you along with information for comparison with a national senior reference group. The report will include an overall total score and also subscores in the following areas:

- Functioning Within Social Institutions
- Using Science and Technology
- Using the Arts
- Communicating
- Solving Problems
- Clarifying Values

A description of each subscore area is included with the score report.

Due to the special format of the test — television, tapes, and slides and the time requirements of the test, students with significant visual, hearing or manual impairments may be eligible for exemption. Handicapped students must request and be approved for exemption through the Director of Handicapped Services, 215 Scates Hall, prior to the last test date for any given semester.

REGISTRATION PROCEDURES FOR PRIORITY/CONTINUOUS/REGULAR/LATE

- (1) Students see their adviser at the appropriate time to obtain a Section Request Form with their adviser's signature.
- (2) Students obtain Restricted Section Request Forms if applicable.
(Example: All upper division honors courses require the permission of the Director of the Honors Program.)
- (3) Students bring their Student Information Form, Section Request Form and any Restricted Section Request Forms to the Registration Center for processing at the appropriate time. During Priority and Regular Registration students will be assigned registration appointment times based on cumulative hours earned. Students may not register earlier than their assigned registration appointment time. (Students who do not have a Student Information Form should be referred to the Registration Center.)
- (4) Registration Center personnel will check all forms for accuracy and completeness prior to processing. Instructions will be printed on the back of each Section Request Form and on the front of each Restricted Section Request Form. **Students must read and follow the instruction printed on these forms.**
- (5) Students will be directed to an available op-scan machine where the operator will insert form(s) into the machine. If the student receives all courses requested, a Class Schedule and Invoice Form is printed. If unable to obtain all courses requested, students will be directed to a CRT where alternate courses will be entered. If the students are still unable to obtain a complete schedule, they must return to their adviser for alternate courses and/or further advising. This process will be repeated until a satisfactory schedule is obtained.
- (6) The Bursar's Office will be available to collect fees during Priority and Continuous Registration for students who desire to pay fees early. Students must pay their registration fees prior to the fee payment deadline or they will be deleted from the classes they selected during Priority and/or Continuous Registration.
- (7) Dropping/Adding of courses will be permitted during Priority, Continuous, and Regular Registration for students who have already registered. No change of course fee will be assessed prior to the first day of Regular Registration. Students follow steps 1-5 to drop/add a course.
(Exception: A Student Information Form will not be needed to drop/add a course during Priority or Continuous Registration. However, Students should bring their Class Schedule and Invoice Form with them to prove that they have already registered.)

VA EDUCATIONAL BENEFITS

IT IS THE STUDENT'S RESPONSIBILITY TO BE AWARE OF AND FULFILL ALL REQUIREMENTS FOR RECEIPT OF G.I. BILL BENEFITS.

Any student using VA Educational Assistance (G.I. Bill Benefits) at Memphis State University should contact the Office of Veteran's Services (Room 212, Scates Hall, 454-2996). New students should be prepared to furnish the following items as needed: an original or VA certified copy of their DD 214, or other armed forces separation papers, a copy of their Delayed Enlistment Contract, copies of their children's birth certificates, a copy of a divorce decree if either vet or spouse was previously married, their VA file number if benefits have been used previously, and a transcript from any college or university previously attended.

The VA places restrictions on those receiving veterans educational benefits. Some of these restrictions include: regular class attendance, satisfactory academic progress, and adherence to a specific degree program. The VA will not pay for repeated courses if the grade already earned is acceptable for graduation requirements and major objectives at this University (this includes transfer credit), or for elective courses in excess of those needed to meet graduation requirements.

Certification Reminders:

- (1) Register with the Office of Veterans Services every semester by completing a Veteran Data Sheet and Certification Request.
- (2) Report credit allowed for prior training in cooperation with your adviser by completing a "Request for Reevaluation of Prior Credit" form. These forms are available from the Office of

Veterans Services.

- (3) Inform the Office of Veterans Services of any changes in major or degree pursued, address, marital status, or number of dependents claimed.
- (4) After registering, report to the Office of Veterans Services immediately all changes in class schedules including adds, drops, section changes, cancelled courses, and withdrawals.
- (5) Obtain a degree posting sheet/formal degree plan from your adviser, and furnish a copy to the Office of Veterans Services, as well as keeping a copy for your personal files.

For more information on eligibility requirements, monthly pay rates, and other services available, contact the Office of Veterans Services.

ADMISSIONS PROCEDURES

New students planning to enroll for any credit course or on an audit basis must be formally admitted to the University. Admission to the University must be fully cleared before any registration is authorized. Any student who meets admission or readmission requirements after August 1 will not be assured of registration before the first day of classes. Any non-Tennessean who resides more than 150 miles from the University must file an application for admission or readmission prior to that date. Anyone failing to do so will not be assured of being considered for admission.

New Applicants

Applications for admission, detailed instructions concerning admission procedures, and regulations for all student levels may be obtained in the Admissions Office, Room 215, Administration Building. Information concerning graduate student admissions may be obtained in the Graduate Admissions Office, Room 216, Administration Building. After 4:30 p.m. and on Saturday mornings, these may be obtained in Evening Academic Services Office, Room 167, Administration Building, 454-2398.

Former Students

A former student is defined as a student who (1) has previously been enrolled at Memphis State but (2) was not enrolled during the previous semester. Most former graduate and undergraduate students seeking readmission must obtain an application for readmission from Room 167, Administration Building. Former undergraduate students entering Graduate School are not "former students" for readmission purposes. They are new graduate students who must be properly admitted to graduate school as new students by the Graduate Admissions Office, Room 216, Administration Building. All inquiries concerning appropriate readmissions procedures should be directed to the Readmissions Office.

Transferring Credit to MSU

In order for completed additional undergraduate course work to be transferred from another university and recorded on the student's permanent record, the student must request that an evaluation of the additional course work be completed by the Transfer Affairs section of the Admissions Office. After the student has been admitted as a regular undergraduate, whether he is a beginning freshman or a transfer student, it is recommended that he consult with his adviser or the Transfer Affairs section of the Admissions Office if he anticipates enrolling at another college or university for the purpose of transferring credit to Memphis State University. Information about the transfer of graduate credit may be obtained in the Graduate School Office, Room 315, Administration Building.

Residency Classification

All determinations concerning classification of in-state and out-of-state students for fee-paying and other purposes are made in the Office of Admissions. The determinations are based on the regulations and guidelines of the State Board of Regents. Copies of the guidelines and regulations used in the classification of students for fee-paying purposes are available in the Admissions Office, Room 205, Administration Building, 454-2344.

Persons 60 Years of Age and Totally Disabled Persons

Persons suffering from a permanent disability which totally incapacitates such person from working at an occupation which brings him an income, and persons who will become sixty (60) years of age or older during the academic semester in which such persons begin classes, and who are domiciled in Tennessee, may

AUDIT courses at Memphis State without paying tuition charges, maintenance fees, student activity fees, or registration fees. Admission to AUDIT will be limited on an individual classroom basis according to space availability.

Any person who is totally disabled, and persons who will become sixty-five (65) years of age or older during the academic semester in which such persons begin classes, and who are domiciled in Tennessee, may enroll for courses for credit at the cost of one half the normal per credit hour fee, not to exceed \$75 per semester. The University Health Services shall examine certification of permanent disability (not the applicant) and determine the eligibility of the applicant under this legislation.

Inquiries concerning these programs may be addressed to the Records Office, Room 115, Administration Building, 454-2671.

REGISTRATION INFORMATION

(1) CONSULTING WITH ACADEMIC ADVISER

Current Students

Current Memphis State University students are encouraged to see their academic advisers well in advance of registration, preferably during the preceding term when ample time can be given for general academic advising including assistance in selection of courses for the ensuing term. This is not always possible for new and returning students and for some current students. However, all students are required to have a Section Request Form with an adviser's signature prior to entering the Registration Center.

For assistance in advising, students should contact the department of their major for specific dates, times, and locations.

During late registration academic advising occurs in the academic department, where faculty advisers are generally available except when they are teaching. Assistance in locating an adviser can be obtained in the Department Offices. Current graduate non-degree students should secure their approved class schedules from one or more of the designated advising office locations. (See "New and Readmitted Students [Graduate]" section.)

Handicapped Students

Early Preregistration Permits can be issued by the Handicapped Student Service Office to allow eligible students to preregister on the first day or at any convenient time during Priority Registration. The purpose of this procedure is to allow students to adequately plan for and schedule around any disability related needs. Generally, students with handicaps of mobility, vision, hearing and specific learning disabilities are eligible for Early Preregistration Permits. **The handicapped student must, however, be eligible to participate in the University's preregistration process by virtue of being in good standing with no registration "holds" and having received their registration materials by mail.** Personal attendants and academic aids employed by handicapped students may also get Early Permits so their schedules can be coordinated to accommodate the students for whom they work.

Procedure for Early Preregistration

1. Upon receipt of registration materials, see adviser and get signed Section Request Form. Please check published advising schedules and make appointments as indicated.
2. Present registration materials and signed Section Request Form in Handicapped Student Services Office in order to get Early Permit Card. Students who need staff assistance in planning their schedule may request it at this time.
3. Take registration materials, completed Section Request Form and Early Permit Card to Registration Center.
4. After completing preregistration, take the Class Schedule and Invoice Form to the Handicapped Student Service Office for Needs Assessment so that necessary academic accommodations and resources can be planned.
5. Students who drop or add courses after the Needs Assessment is completed should take a revised copy of their schedule back to the Handicapped Student Service Office.
6. Students on authorized billing from state rehabilitation agencies should make plans with their counselor to meet the appropriate fee payment deadline.

Although Remedial and Developmental Studies students are not allowed to participate in priority Registration, the Handicapped

Student Service Office can reserve Restricted Section Request Forms for R&DS students with disabilities. R&DS students should bring a list of the specific courses they wish to take to the Handicapped Student Service Office at least one week prior to the beginning of regular registration. The Restricted Section Request Forms can then be picked up in the Handicapped Student Service Office one half hour prior to the registration appointment time.

For further information or assistance, please contact Handicapped Student Service Office, 215 Scates Hall, 454-2880 (Voice and TDD).

New and Readmitted Students (Undergraduate)

All new freshmen students and transfer students without an academic major will be assigned to the Academic Counseling Unit, located in Scates Hall, and should go to the unit immediately after admission to the University to request the assignment of an adviser. Students who have not seen an adviser will be assigned one.

Students who have been readmitted and have selected a major should contact the department of their major for the assignment of an adviser. Readmitted students without a declared major should go to the Academic Counseling Unit. This should be done in advance of the first day of registration.

Evening (Undergraduate)

New and readmitted undergraduate students enrolling in evening and/or Saturday courses only may obtain the required registration and advising information in the Evening Academic Services Office, Room 167, Administration Building. The office hours are 12 noon-8:00 p.m., Monday through Thursday and 8:30 a.m.-12 noon on Saturday. (Registration Materials Center hours during regular registration.)

Unclassified, Special Undergraduate, and Audit Students

Undergraduate students who are unclassified, special undergraduate, or audit go to the Academic Counseling Unit, Scates Hall. Evening students in these categories go to the Evening Academic Services Office, Room 167, Administration Building for advising assistance.

New and Readmitted Students (Graduate) — Day & Evening

New graduate students are directed to an adviser following their admission. Readmitted graduate students having a major should contact the department of their major for the assignment of an adviser.

Students classified as Graduate Non-degree are required to obtain enrollment restriction information from each of the advising office locations representing the college in which the student plans to enroll in undergraduate or graduate coursework. Graduate Non-degree advising office locations are as follows:

College	Office	Location	Telephone
Arts & Sciences	Dir Graduate Studies	MI 213	454-2253
Business & Economics	Dir Graduate Studies	BB 426	454-2431
Communication & Fine Arts	Dean	CFA 232	454-2350
Education	Dir Graduate Studies	ED 215	454-2352
Engineering	Dir Graduate Studies	EN 201	454-2171
Dept of Audiology		807 Jefferson	
Speech Pathology	Memphis, TN	525-2682	
MSU Jackson			
Graduate Center		Jackson, TN	(901) 427-4725

Graduate non-degree students may enroll in selected courses on a space available, departmental approval basis only.

Graduate students should not attempt to secure a section request form from the Academic Counseling Unit, Scates Hall.

(2) OBTAINING REGISTRATION MATERIALS

The registration materials consist of two basic items: (1) "Student Information Form," and (2) a permanent ID card.

Current Students

Registration materials are mailed to all regular students currently enrolled, with the exception of those suspended for academic reasons, those who are on academic probation, and those who have holds placed on their registration materials by a University office. When a hold is released, the student is given a release

card which tells where and when to secure his registration materials.

New and Readmitted Students

New and readmitted students who have cleared all admission requirements at the time registration materials are prepared, receive their materials by mail. Students not clearing in time to receive their materials by mail are given a chance to obtain materials before the actual day of regular registration and receive instructions on how to accomplish this.

(3) SECURING SECTION REQUEST FORMS

Students having their Section Request Form, student information form, and permanent ID card, are prepared to enter the Registration Center.

Registration appointment times — Enter the Registration Center on the date and time printed on the upper right hand side of the Student Information Form. Registration priority is based on cumulative hours earned. **THE STUDENT MAY ENTER AT ANY LATER TIME AFTER HIS APPOINTMENT TIME.**

REGISTRATION PRIORITY

Since it is not feasible for all students to register at the same time, it is necessary to establish priorities in the assignment of registration times. Registration priority and the registration appointment times appearing on registration materials are based on the number of cumulative hours earned.

Registration materials must be prepared before the end of the term that immediately precedes registration. **Appointment times do not reflect hours earned during the current term.** For example, registration times for the spring semester are not affected by hours earned during the fall semester.

Registration priority and associated registration appointment times will not be based on the need to work because such a large number of students do work. No practical or equitable way exists to administer a priority system on the criterion of a student having to work.

Unclassified will be awarded registration appointment times on the basis of hours earned at Memphis State University only. Seniors not holding an undergraduate degree who are taking degree credit courses have priority over special undergraduate students (those who hold degrees) when enrolling for undergraduate credit courses.

Special Courses

Credit/No-Credit Courses — Certain undergraduate students, with permission from the dean of their college, may elect to take some courses on a credit/no-credit basis. Details are found in the undergraduate Catalog.

Procedures for registering are as follows: (1) Obtain permit form from academic adviser, complete information on the form, and secure adviser's signature; (2) Get permission of the dean of their college; (3) Go to the office of the chairman of the department in which the course is taught and secure his approval; (4) Take completed permit form to the Registration Center at the appointed registration time.

Audit Courses — The student must: (1) Obtain academic adviser's approval; (2) Go to the department in which course is taught and pick up a Departmental Request Form; (3) Take this form to the Registration Center at the appointed registration time. Fees for audit courses are the same as for credit courses. Students may not change from a grade point basis to audit or from audit to a grade point basis after the last day to add classes. Further details on audit courses are found in the undergraduate and graduate Catalog.

ID CARD

ALL STUDENTS MUST OBTAIN A PERMANENT MEMPHIS STATE UNIVERSITY ID CARD. THIS INCLUDES PART-TIME STUDENTS, EVENING STUDENTS, UNCLASSIFIED STUDENTS, ETC.

The University issues to each student an identification card which bears his/her photograph, social security number, and certification that he/she is enrolled as a student in the University. The card remains the property of the University and will be surrendered upon the request of a University official.

The validation of identification cards will occur at the registration fee payment center beginning with the Priority/Continuous registration fee payment deadline period upon payment of the appropriate fees and presentation of the student's registration receipt.

Students who participated in the Priority/Continuous Registration and elected to pay the appropriate fees may have their identification cards validated upon presentation of their registration receipt.

A current student only may obtain a replacement from the Dean of Students Office, Room 203 Scates Hall on Tuesdays and Thursdays from 8:30 a.m. - 1:30 p.m. A student will be charged \$10.00 to replace a card that has been damaged, stolen, or lost. A charge of \$2.00 will be made to make any change in data on a card. Students unable to obtain an ID card at an off-campus or special registration must go to the Records Office to have one made.

(4) PAYMENT OF FEES

Fees may be paid as soon as the student receives a Class Schedule and Invoice Form. However, all fees must be paid by the deadline indicated on the student's Class Schedule and Invoice Form. All deadlines are noted in the fee deadline section of this publication and in the term calendar for each semester. Registration is not complete until all fees are paid.

Fees may be paid by cash, check, money order, or through the use of Visa or Mastercard. Students receiving VA assistance are expected to pay fees in full. **Beginning August 22, 1988**, students holding scholarships, student aid, or billing authorizations for this term should stop at the "Scholarship/Financial Aid" or "Authorized Billing" stations in the Fee Payment Center, University Center, Third Floor. Students will not have their names placed on class rolls until after all fees are satisfied. All questions in regard to fees, fee payment, and refunds should be directed to the Bursar's Office.

ALL OUTSTANDING FINANCIAL OBLIGATIONS TO THE UNIVERSITY MUST BE SATISFIED BY THE FIRST DAY OF CLASSES TO AVOID DELETION OF THE STUDENT FROM THE CLASS ROLLS.

"No More Checks" Status

The privilege of making payments for fees and charges by personal check and check cashing privileges will be revoked for any student who has had more than one returned check/draft within a twelve month period for a period of one (1) year from the date the last check is redeemed. A student will not be permitted to pay registration fees by check if any previous check in payment of registration fees has been returned. **Students on a "NO MORE CHECKS" status should be prepared to pay registration fees with cash, cashier's check, certified check, or by authorized charge card draft.**

Late Registration (September 1-8, 1988):

All fees, including all outstanding financial obligations to the University, must be paid on the date of registration for all students who register during the Late Registration period. Students should not enter the Registration Center unless they are prepared to pay fees.

Students who fail to meet the fee payment deadline will be removed from all classes for which they are scheduled and will be required to begin registration again.

Returned Checks/Charge Card Drafts

It is expected that a check or draft given to the University, for any reason, will be honored by the bank on which it is drawn. A check or draft dishonored by the bank on which it is drawn may be presented a second time at the discretion of the University. A \$10.00 returned check/draft charge will be assessed for all checks/drafts returned. **Returned checks/drafts, used as payment of registration fees, which are not promptly redeemed, will result in the deletion of the student from the class rolls.**

FEES AND DEPOSITS

The listing of any fee or incidental charge in this publication does not constitute a contract between the University and the student. As a condition of registration, each student will pay the fees in effect for the semester for which he or she registers. Fees are subject to change without notice. Persons 60 years of age and totally disabled persons should refer to the sections of this publication covering their registrations.

The University will usually collect the amount of fees due at the time of registration and during the adding and dropping of classes in accordance with the residency classification and fee rates in effect. After all enrollments are complete, any over-collections will be refunded and students will be billed for any under-collections.

The Office of Admissions and Records is charged with the responsibility of assigning a residency classification to each student using regulations provided by the Board of Regents. The student may appeal the decision to the Committee on Residency. Residency regulations of the Board of Regents and information on appeals procedures are available at the Office of Admissions and Records.

RESIDENCY CLASSIFICATION MAY BE CHANGED ONLY BY THE RESIDENCY ADVISER, OFFICE OF ADMISSIONS AND RECORDS.

If a student is not satisfied with the resolution made by the Bursar's Office, a written appeal, on forms available in the Bursar's Office, can be made to the Director of Finance; his determination may be appealed to the Vice President of Business and Finance, and his determination may be appealed to the President of the University. All appeals must be made in writing within ten (10) days of the previous decision. Traffic fines are subject to a separate appeal procedure.

Identification Card Validation

The validation of identification cards will occur at the registration fee payment center beginning with the Priority/Continuous Registration fee payment deadline period (August 22-25) upon payment of the appropriate fees and **presentation of the student's registration receipt.**

Students who participated in the Priority/Continuous Registration and elected to pay the appropriate fees prior to August 22, 1988, upon **presentation of their registration receipt.**

CHANGING ENROLLMENT STATUS

After a student's registration is complete, the class schedule may be changed by adding and/or dropping courses within a specified period only (see University registration calendar). After the last day to add, students will add/drop using the multi-copy Change of Course Application form instead of the Section Request Form. Hours when advisers are available may be obtained from the department of the student's major. The Evening Academic Services office hours are 12 noon-8:00 p.m. Monday through Thursday, and 8:30 a.m.-12 noon on Saturday. Time limits for add/drop are outlined in the registration calendar. No fees will be charged for any change-of-course transaction until the first day of Regular Registration. There is no charge for a change made as a result of the University canceling a course.

Permission to add or drop a course after the deadlines shown in the semester calendar must be obtained from the appropriate college dean for undergraduates and the graduate dean for graduate students.

Students enrolled in one course who wish to drop must withdraw from the University.

Schedule conflicts — Each student is responsible for preventing conflicts in the scheduling of his classes. Students should check each Index No. to insure that the course and section numbers, time and credit agree with what they requested. Students will be assessed a "change-of-course" fee on the first day of Regular Registration if it is necessary to make changes because of a scheduling conflict. Up-to-date information may be obtained during registration.

The University does not guarantee that the instructor listed in the Schedule of Classes will be the one to teach the course, and no fees will be waived accordingly. Change of course fees will not be waived to accommodate changes in student's outside work schedules or changes of health conditions.

University policy prohibits the waiving of the change fee when a course section has been closed and later reopened. The University reserves the right to cancel courses or sections or to combine sections.

Withdrawal Procedures

Students may withdraw from the University by contacting the appropriate University official. ID's must be turned in to be invalidated.

REPETITION OF COURSES

Summer, 1988 is the implementation term for the revised repeat policy as stated in the 1987-88 Undergraduate Catalog:

A student may not attempt the same course more than three times for the purpose of obtaining a passing grade or higher grade. Exceptions to this limitation may be made by the dean of the college from which the student intends to graduate. These exceptions must be approved prior to the student's registration for the fourth and any subsequent attempts of the same course.

The student's quality point average will be computed as follows:

Attempt	Grade(s) Included in computation
1st	Original grade earned
2nd	Only grade in 2nd attempt
3rd and subsequent	Grade earned in 2nd attempt averaged with grade(s) earned in ALL subsequent attempts

The record will continue to reflect all grades earned in the same course.

SEXUAL HARASSMENT

Policy

It is against University Policy to sexually harass or to discriminate against any member of the University Community on the basis of sex.

Such actions are prohibited not only by University policy, but also by section 703, Title VII of the Civil Rights Act of 1963 and Title IX of the Education Amendments Act of 1972. Violation of these Acts may have legal consequences.

Sexual harassment shall be defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature where:

- submission to such conduct is made explicitly or implicitly a term of condition of an individual's employment or classroom evaluation; or
- submission to or rejection of such conduct by an individual is used as the basis for employment or academic decisions affecting the status of the individual; or
- such conduct has the purpose or effect of unreasonably interfering with an individual's work or classroom performance, or creating an intimidating, hostile, or offensive working or academic environment.

The University seeks to encourage the prompt reporting of harassment and its prompt resolution through either informal or formal procedures.

In addition, the University will take steps towards and encourage the development of programs aimed at informing students and employees of their rights to be free from sexual harassment and the procedures available for reporting. Programs will also be developed and aimed at preventing sexual harassment.

Procedure

The purpose of this procedure is to provide a clearly defined means of reporting and investigating the complaints of students, faculty, and employees where they believe they have encountered sexual harassment as defined by the University policy. The final

resolution of such complaints and the imposition of any appropriate sanctioning will be governed by existing University procedures.

Since sexual harassment has been defined as discriminatory in nature, the following procedures will be implemented for the reporting of harassment:

- Complaint by student against student—Procedure: complaint to Assistant Dean of Students for investigation and possible disciplinary action.
- Complaint by faculty member or employee against student—Procedure same as (a).
- Complaint by student against faculty member or employee—Procedure: Complaint Procedure under Affirmative Action Plan.
- Complaint by faculty member against employee—Procedure: Complaint Procedure under Affirmative Action Plan.
- Complaint by faculty member against faculty member or supervisor—Procedure: Complaint Procedure under Affirmative Action Plan.
- Complaint by employee against faculty member, employee or supervisor—Procedure: Complaint Procedure under Affirmative Action Plan.

General Provisions

- The subject of any complaint alleging sexual harassment shall be given timely and complete notice of all charges.
- Any retaliatory action of any kind taken as the result of a person seeking redress under these provisions is prohibited and will be treated as a separate cause for complaint under these procedures.
- The subject of any complaint will be afforded all rights as outlined in the given complaint procedures.
- Complaints made to the Assistant Dean of Students will be governed by the procedures set forth in the Code of Student Conduct.
- Complaints filed under the Affirmative Action Plan should be made to the Affirmative Action Office and will be governed by the procedures set forth below:
 - The complaint may be informal or formal. An informal complaint need not be made in writing. Informal resolution of a complaint may be made by agreement between the complainant and the accused party at any time after a complaint is made. In the event that informal resolution is not accomplished, and the complainant desires to pursue the complaint, a formal complaint must be filed. A formal complaint shall be in writing and sworn to by the complainant before a notary. Any complaint should be filed with the Affirmative Action Office within thirty (30) days of the action which is the basis of the complaint.
 - The Affirmative Action Office will receive all complaints concerning alleged sexual harassment by an employee. The office will be available to advise aggrieved parties of their rights to be free from sexual harassment, and the procedures for the investigation of complaints.
 - The Affirmative Action Office will investigate all complaints concerning sexual harassment unless the complaint is withdrawn after consulting with that office.
 - Following its investigation, if the Affirmative Action Office determines that there is no reasonable cause to believe sexual harassment has occurred, it will so advise the complainant and the file will be closed.
 - Following its investigation, if the Affirmative Action Office determines that there is reasonable cause to believe sexual harassment has occurred, it will forward its report on the investigation with a copy of the complaint and all statements of witnesses to the appropriate Vice President for review.
 - Following this review and/or further investigation, if the Vice President determines that there is not reasonable cause to believe sexual harassment has occurred, he will so advise the file with the recommendation to the President.
 - Following his review and/or further investigation, if the Vice President determines that there is not reasonable cause to believe sexual harassment has occurred, he will so advise the complainant, who may appeal the finding as outlined below.

8. Any appeal by a complainant from a finding of no probable cause by a Vice President must be submitted in writing within ten (10) days of the date of notice of the Vice President. The appeal shall be submitted to the Vice President, and shall state the grounds or basis for the appeal. A committee appointed by the President will review the file, and may require the complainant to appear before the committee to respond to questions. The committee may request other witnesses to appear, but their attendance shall be voluntary. The committee will make written recommendations to the President on the issue of whether reasonable cause to believe sexual harassment has occurred is supported by the evidence.
 9. The President will review the file on the matter, and the recommendations of the Vice President and the appeals committee, if applicable. The President may request that any official or committee reconsider the case or may request further investigation of the matter.
 10. Following this review of the file and any further information which he considers necessary, if the President concurs or determines that there is no reasonable cause to believe sexual harassment has occurred, he will so advise the complainant.
 11. Following this review of the file and any further information which he considers necessary, if the President concurs in the determination that there is reasonable cause to believe sexual harassment has occurred, he will refer the case to the appropriate Vice President for further action.
 12. Upon receipt of the file from the President with a concurrence of the finding of reasonable cause, the Vice President will meet the accused party to discuss the matter and to attempt to reach a satisfactory resolution. If the accused party admits to the violation, appropriate disciplinary action will be taken. If the accused party denies the violation, the Vice President will proceed with the necessary steps to initiate the disciplinary action he determines appropriate in the case.
 13. The Vice President may pursue one of the following: (1) a written warning; (2) a written reprimand to be placed in the accused's personnel file; (3) other disciplinary action short of termination; or (4) recommend to the President termination. In the case of a written warning or reprimand, the accused shall have the right to have a concise statement of rebuttal placed in his personnel file. If the accused is a faculty member and if the President chooses to pursue termination, he will initiate proceedings according to the State Board of Regent's Policy on Academic Freedom, Responsibility, and Tenure.
 2. Officials of other schools in which the student seeks admission, if the student has executed a release form to that institution. (At a later date a request for academic information from another institution of learning indicating the reason will be honored as a matter of inter-institutional courtesy.)
 3. Appropriate persons in connection with a student's application for or receipt of financial aid.
 4. Federal or State officials as defined in the regulations concerning this law.
 5. State and local officials authorized by State statute adopted prior to November 19, 1974.
 6. Organizations conducting studies for, or on behalf of, Memphis State University for the purpose of assisting in accomplishing the University's stated goals, and when such information will be used only by such organizations and subsequently destroyed when no longer needed for the intended purpose. The Dean of Admissions and Records or his designate must approve requests of this nature.
 7. Accrediting organizations to carry out their functions.
 8. Parents of a dependent student as defined in section 152 of the Internal Revenue Code of 1954. (Note: Husband or wife cannot get records of his/her spouse regardless of dependency.)
 9. In compliance with judicial order or subpoena after the University has made a reasonable effort to notify the student.
 10. Appropriate persons in connection with an emergency if such knowledge is necessary to protect the health or safety of a student or other persons. Verification of the conditions involved will be fully documented.
- Note:** All individuals and agencies who have requested or obtained access to a student's record (except as stated in A 1-7) will be noted in a record which is kept with each student's closed file. A request must be in writing stating the purpose of the request. This record will also indicate specifically the legitimate interest that the person or agency had in obtaining the information, and the information made available will be limited to that necessary to satisfy such demonstrable needs.

B. Definitions:

- **Educational Records.** "Educational Records" is defined as those records, files, documents, and other material which (1) contain information directly related to a student; and (2) are maintained by Memphis State University or by a person acting for the University. They do not include: (1) personal notes; (2) records available only to law enforcement personnel; (3) employment records; (4) medical, psychological, and psychiatric records (these are accessible to the student's physician); (5) and records containing only information relating to a person after that person is no longer a student at the University. An example would be a record of accomplishments of an alumnus of the University.
- **Student.** A student is any person who is or has been enrolled at Memphis State University. Wherever "student" is used in reference to personal rights, an eligible parent of a dependent student has similar rights. This "eligible" parent is one who has satisfied Section 152 of the Internal Revenue Code of 1954, and who presents proof of such to the custodian. Normally, this will be notarized affirmation by the parent declaring that the student is a dependent for Federal Income Tax purposes.
- **Directory Information.** "Directory Information" is defined as: The student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous education agency or institution attended by the student, the student's full- or part-time status, and the student level. At the time a student registers for courses, the student may personally deliver to the Records Office a written request that directory information for that student may not be released. This notification is effective only for the one semester for which the student is then registering. Such information will then be withheld if the request is received within 14 days after the beginning of classes.

PRIVACY RIGHTS OF PARENTS & STUDENTS NOTICE TO STUDENTS

The Family Educational Rights and Privacy Act of 1974, with which the University intends to comply fully, is designed to protect the privacy of education records, to establish the right of students to inspect and review their education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students also have the right to file complaints with The Family Educational Rights and Privacy Act Office (FERPA) concerning alleged failures by the institution to comply with the Act.

Provisions for the release of information about students and the rights of students and others to have access to Memphis State University education records are as follows:

A. Release of Personally Identifiable Student Education Records.

Memphis State University shall not permit access to or release of any information in the **Education Records** which is specifically identifiable as referring to any student, other than Directory Information, without the written consent of the student to any party other than the following:

1. MSU officials and staff who have legitimate educational interests, including academic excellence, honor societies, and fraternities and sororities. Written requests from such officials or organizations shall be sent to the Records Office, and proper identification will be required.

— **Access.** To have access to an "Educational Record" is to be allowed to see the original record. It implies the right to obtain copies of that record.

— **School Officials.** School officials are those University employees with general or specific responsibility for promoting the educational objectives of the University. Employees whose responsibilities place them within this category include: teachers; faculty advisers; admissions counselors; academic advisers; therapeutic counselors and vocational counselors; degree analysts; employment placement personnel; deans, department chairmen, directors, and other administrative officials responsible for some part of the academic enterprise or one of the supporting activities; administrative and faculty sponsors of officially recognized clubs, organizations, etc.; members, including student members, of committees appointed by the President; and clerical personnel employed to assist University officials in discharging professional responsibilities. Access by these officials is restricted where practical only to students for whom they have professional responsibility and only to that portion of the student record necessary for the discharge of assigned duties.

— **Legitimate Educational Interests.** Legitimate educational interests are defined as those interests which are essential to the general process of higher education prescribed by various legislative acts and the body of policy adopted by the governing board. Legitimate educational interests would include teaching, research, public service, and such directly supportive activities as academic advising, general counseling, therapeutic counseling, discipline, vocational counseling and job placement, financial assistance and advisement, medical services, and academic assistance activities.

In addition, the University officially recognizes appropriate co-curricular activities which are generally supportive of overall goals of the institution and contribute generally to the well-being of the entire student body and specifically to many individuals who participate in these activities. These activities include varsity and intramural sports, social fraternities and sororities, honorary and academic fraternities and sororities, departmental clubs, professional fraternities, special interest clubs, and student government.

C. Procedure for Gaining Access to Educational Records.

— To gain access, the student must request the custodian to allow him to peruse the "Educational Record," which request will be granted within a reasonable period of time. The student may ask for an explanation and/or copy of his "Educational Record." Examination will be permitted under conditions which will prevent alteration or mutilation of the record. A student must present proper identification upon request. Documents submitted by or for the student in support of his application for admission or for transfer credit

will not be returned to the student nor sent elsewhere.

— If the student believes the "Record" content to be inaccurate, he may submit a request for amendment of his record. Normally such matters will be satisfactorily settled in the course of informal discussion with the student. When this is not the case, the request and the challenge must be presented in writing to the record custodian who will inform the student of his decision within 45 days and of his right to a hearing. The student may then submit a written request for a hearing to the Dean of Admissions and Records who will (1) appoint an Appeals Committee consisting of four "Record" custodians (none of whom is custodian of the "Record" in question), with one of the four designated as chairman, and (2) designate a time and place for the first meeting and inform the student of the same.

— The Appeals Committee will convene with the student within 45 days from the date of the request, allowing the student, or his parents if the student is a dependent, to present relevant evidence. The student may be assisted or represented by counsel of his choice and at his own expense. A written decision based solely upon evidence presented at the hearing will be given the student within 45 days after the conclusion of the hearing, including a summary of the evidence and reasons for the decision and notification of his right to place a statement in the "Educational Record." Thereupon, the student may submit to the Committee a written explanation to be inserted into the "Record."

Note: This procedure does not provide for a hearing to contest an academic grade.

D. Right of Access Does Not Include:

1. Financial records of parents or any information therein.
2. Confidential letters and statements of recommendation which were placed in the "Educational Records" prior to January 1, 1975.
3. "Records" to which access has been waived by a student.

E. No University office receiving student information shall, and all agencies receiving student information will be advised not to, release the information to another party without the written consent of the student.

F. The University retains all rights to the student's academic record and may withhold transcripts of the record because of unfulfilled obligations to the University.

G. Eligible students and parents have the right to file a complaint with the Department of Education concerning an alleged failure by the University to comply with the "Privacy Rights of Parents and Students" Act. Students may also file a complaint against the University in the office of the Dean of Admissions and Records. A copy of the Act may be read in the offices of the Associate Dean of Admissions and Records (Records), the Dean of Admissions and Records, or the University Counsel.

Only one pregnancy test says yes or no in 10 minutes. **FIRST RESPONSE®**

I just did it!
The FIRST RESPONSE®
Pregnancy Test.

Well, what's
the news?

Only FIRST RESPONSE
can tell you in
10 minutes! Turns blue
for pregnant. Stays
clear for not pregnant.
And it's so easy to see.

Not Pregnant Pregnant

You knew,
in just
10 minutes?

Absolutely, darling. And
when FIRST RESPONSE
says yes or no, it's for
sure. With other tests, you
may have to wait longer
for complete results.

So which is it,
yes or no?

Oh, I thought I
told you...
Daddy!

You can always trust your

MCAT-GMAT

GAPS gives you the knowledge, confidence and the competitive edge you need to succeed on critical exams.

SCORE HIGH

Thousands of bright, otherwise eligible students are unfairly penalized every year for being underprepared, for not knowing critical test-taking skills or for freezing up during the actual exam, thus concealing their true "aptitude." You can overcome these problems if you know what kind of questions to expect, have learned proven test-taking strategies, and have practiced under simulated test conditions.

GAPS puts the proven learning techniques from the classroom into a convenient, study-at-home format.

NOTE: The number of cassettes and pages of text may vary slightly according to current exam content. Remember, these tests are changed frequently... and, unlike other courses, the GAPS program is constantly updated to change with them.

Rise to the top.

You're a nuclear-trained officer. It goes beyond special. It's elite! And your status reflects a job that demands your best. Proving your skills at the heart of today's nuclear-powered Navy.

Over half of America's nuclear reactors are in the Navy. That adds up to more years of experience with reactors than any company in

the world, and it means working with the most sophisticated training and equipment anywhere.

College graduates get Officer Candidate School leadership training, and a year of graduate-level training in the Navy Nuclear Power School.

The rewards are top-notch, too. Generous bonuses upon commis-

sioning and also upon completion of nuclear training. Sign up while still in college and you could be earning \$1,000 a month right now.

Be one of the most accomplished professionals in a challenging field. Lead the Adventure as an officer in the Nuclear Navy. Contact your Navy Officer Recruiter or call 1-800-327-NAVY.

NAVY  OFFICER.

LEAD THE ADVENTURE.

DIRECTED STUDY COURSES

SPECIFIC COURSE INFORMATION

A flyer for each course listed below is available in the University College office, Johnson Hall, room G-1. You can pick it up or request that it be mailed to you. Call 454-2716. The flyer contains information about course content, television programs/ video tapes, discussion sessions, written assignments, required readings, and other activities. **STUDENTS WHO REGISTER FOR THESE COURSES MUST OBTAIN THIS INFORMATION BEFORE CLASSES BEGIN.** If you are unsure about taking a directed study course but are interested in knowing more, reading the flyer prepared for the course will be helpful.

COURSES DESIGNED FOR ADULT STUDENTS

Directed study courses are for adults working toward bachelor's degrees and learning for personal enrichment. These courses, designed by specialists in a variety of fields, are rigorous and challenging. They have been developed to serve the special needs of adults who, because of work and family obligations, distance, or handicap, find it difficult to attend on-campus classes. Persons in Memphis and the surrounding areas of Arkansas, Mississippi, and west Tennessee may enroll. These courses are applicable to degree programs at MSU as courses in the major, courses required by a college, or as electives. Students should check requirements for their degree programs before choosing courses.

LEARNING THROUGH DIRECTED STUDY

Directed independent study is the principal means of instruction in each course. Students are guided in their studies by a detailed week-by-week syllabus written by their MSU instructor, a study guide, textbooks, and written assignments. In most courses, video programs supplement the reading. These are broadcast on WKNO-TV and Memphis Cablevision or are available as home rental video tapes. Tapes of the programs are also available for viewing in the Learning Media Center of the MSU library. Written assignments are evaluated by the course instructor with whom the student may confer by phone or in person. Students may also attend optional discussion sessions led by the instructor.

REGISTRATION AND BOOKS

Registration for these courses is completed in the same manner as for on-campus courses; fees are the same. Books are available in the MSU Bookstore and may be ordered by mail. Contact University College, 454-2716, for further information.

THE ARMY RESERVE'S GI BILL CAN MAKE YOU A PART-TIME SOLDIER AND A FULL-TIME STUDENT.

A part-time job in the Army Reserve has just become an even smarter way to work your way through college. The Army Reserve now has its own GI Bill, and if you qualify, you can receive up to \$5,040 for college while you attend college.

But the GI Bill isn't the only valuable thing about being an Army Reservist. You'll also be paid for training in one of over 300 skills.

In addition, you'll earn at least \$1,870 a year for serving two days a month (usually on weekends) at your

local Army Reserve Center, and attending two weeks of annual training. And if you take out a student loan, you may qualify for a program that can help you repay it.

With the GI Bill to help with tuition, and your monthly Army Reserve salary to help with other expenses, you could earn over \$16,000 for college in one enlistment.

If you'd like to know more about taking the Army Reserve's GI Bill to college **ARMY RESERVE.** with you, call toll free **BE ALL YOU CAN BE.** 1-800-USA-ARMY.
